

PowerScan®

Corded or Cordless Laser Scanners

At A Glance

"The PowerScan is much faster and more durable than the laser scanners we have been using. I plan to deploy them throughout our operation."

— Shipping & Receiving Manager

FEATURES	BENEFITS
Sealed against dust & moisture; IP54 rating	<ul style="list-style-type: none"> • Protects internal components from dust and moisture • Improves reliability and reduces TCO (total cost of ownership)
